

SMITH COLLEGE
NORTHAMPTON, MASSACHUSETTS

January 28, 1965

OFFICE OF THE DEAN OF STUDENTS

Mr. Edward C. Marschner, Chairman
WYBC Yale Broadcasting Company
242-A Yale Station
New Haven, Connecticut

My dear Mr. Marschner:

The Smith College Radio Station went out of business around 1952 because of technical difficulties. I was not here at that time, but I understand that the equipment had been built by an amateur and was falling apart, and that it was impossible both from a financial and from a personnel point of view to have it repaired and to keep it in repair. I think this is where the men have an advantage over the girls. You probably have budding engineers who can help.

Here are a couple of suggestions of girls you might contact: one is Cara Saylor, 1965, President of Theatre Club, who lives in Lamont House. The other is Marilyn Reynolds, 1966, outstanding actress and singer, who lives in Wilder House.

I hope this will be of some help to you. Good luck.

Sincerely yours,

Helen L. Russell

My dear Mr. Leachman:

The Yale College Radio Station went out of business
around 1953 because of technical difficulties. I was not
here at that time, but I understand that the equipment had
been built by an amateur and was falling apart, and that it
was impossible to find a financial and from a personnel
point of view to have it repaired and to keep it in repair.
I think this is where the men have an advantage over the girls.
You probably have budding engineers who can help.

There are a couple of suggestions of girls you might
contact: one is Laura Taylor, 1915, President of the Yacht Club,
who lives in Belmont House. The other is Sylvia Reynolds, 1955,
organizing actress and singer, who lives in Elder House.

I hope this will be of some help to you. Good luck.

Sincerely yours,
